 - b. MAP and the Common Core Standards
 - c. The Nebraska Custom NRSS Report
 - d. MAP/NeSA Alignment Study
 - e. 2011 Norm Study
 - f. RIT & RTI - Universal Screening
 - g. MAP Academy Resources
- III. Lessons from the Field - Best Practices in Sharing Data with Parents
- IV. Lunch Provided
- V. Afternoon Breakout Sessions:
 - a. Dan Henderson:
 - i. **Accessing MAP Data in Excel or CSV Formats:** As a standard part of a MAP license is access to all of your district's data in excel and csv format. Learn how to access and begin to manipulate your data. 12:45 - 1:45
 - ii. **Overview of the Dynamic Reporting Suite for Administrators:** Learn how to access basic administrative reports housed in the Dynamic Reporting Suite. 2:00 - 3:00
 - b. Susan Klassen:
 - i. **Basic Teacher Reports:** Learn how to access and navigate NWEA's online reports; including the Teacher Report, the Individual Student Progress Report, and the Class by RIT Report. 12:45 - 1:45
 - ii. **Using PD Resources from NWEA:** NWEA provides a variety of professional development support services. This session will review all of the face-to-face training and online options available, and some ideas on developing a long-range PD plan for your district. 2:00 - 3:00
